

Official Partnership in the Education Perfect World Series.

Our common goal would be to encourage as many students as possible to take part in the Education Perfect World Series.

The more students that compete, the more fun it is for everyone involved, the more we work together to raise the profile of your learning area in your region.

We want everyone to experience the fun of learning and striving to achieve their very best.

We invite you to [register as an Official Partner by clicking here.](#)

We are looking forward to working with you!

Background Information:

- [Education Perfect](#) is the ultimate, fully customisable, online learning platform, available across all subject areas. Students earn points for each item they learn, thereby finding it a highly effective and motivating way to study.
- Education Perfect is brought to you by the creators of [Language Perfect](#), host to the largest annual, online languages competition in the world; the [Language Perfect World Championships](#).
- In 2014 the inaugural [Education Perfect World Series](#), took place including a week-long competition each for Mathematics, English, Science and History as well as the Language Perfect World Championships for Languages.
- [Click here to watch a TVNZ news item](#) that shows the excitement created by the Language Perfect World Championships.
- [Click here to see more than 50 Official Partners](#) worldwide in the Education Perfect World Series. These Official Partners include the European Commission in the UK along with the the Departments of Education in Queensland and the ACT.

Education Perfect, uniting the world through education.

Here is what is involved in being an Official Partner:

- Your association's logo would go on the Education Perfect World Series website, Official Partner Page and the student certificates.
- Each and every Official Partner member (ie: each school in your association's network) is granted 50 free World Series registrations when they use your code to register (normally \$20 per student - value: \$1,000 per school).
- Education Perfect will supply you with the information for you to forward to your network, letting your members know how to participate.
- Your network's own scoreboard in the Education Perfect World Series.

Benefits to your association as a Partner Association:

- Participation in a series of professionally run, high profile, learning events – the largest of its kind in the world.
- Participation in highly motivating events that encourage students to learn.
- Free registrations for your members' students.
- Free exposure to institutions in your area.
- The potential to run your own mini competitions within your network at any time during the year. (Your network may be eligible for extra prizes for your network. This must be confirmed with Tania Christie, Global Projects Manager at Education Perfect.) **Cost:**

There is currently no cost to you as an Official Partner. There will be a cost of \$200 to associations joining beyond the end of this year, due to the popularity of the event and Official Partnerships.
